

Microsoft Purview Accelerator

Thursday, 18th August 2022

We Need Feedback :)

Pre-Workshop Survey

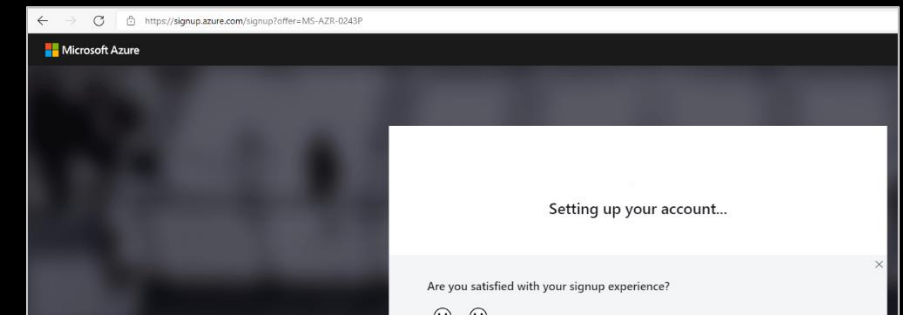

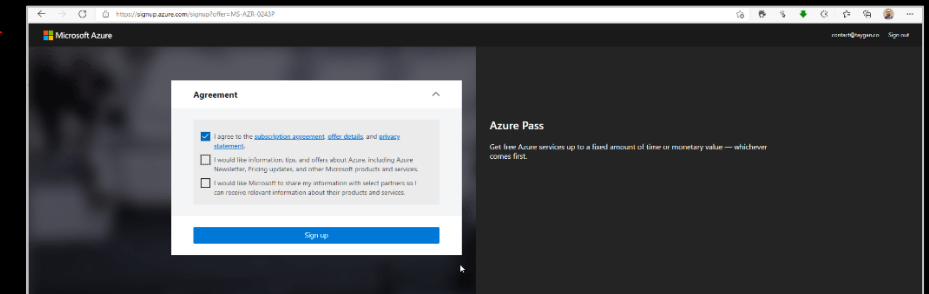

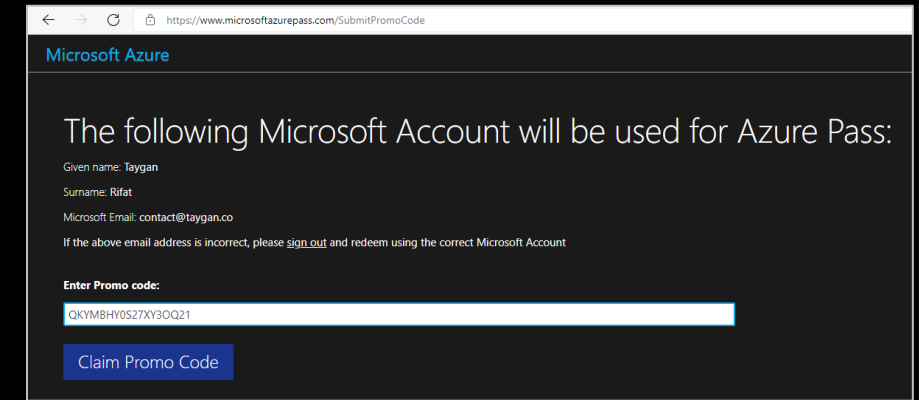

Getting Started

1. Split into breakout rooms and be greeted by your proctor (MSFT CSA)
2. Introductions (Name, Role, Skill)
3. Receive and activate your Azure Pass Promo Code

Azure Passes

Activation Process

1. Navigate to <https://www.microsoftazurepass.com/>
2. Sign-in (Microsoft account)
3. Claim Promo Code
4. Sign up
5. Wait for the account to be setup...
6. Once ready, you will be redirected to the Azure Portal

Lab Environment

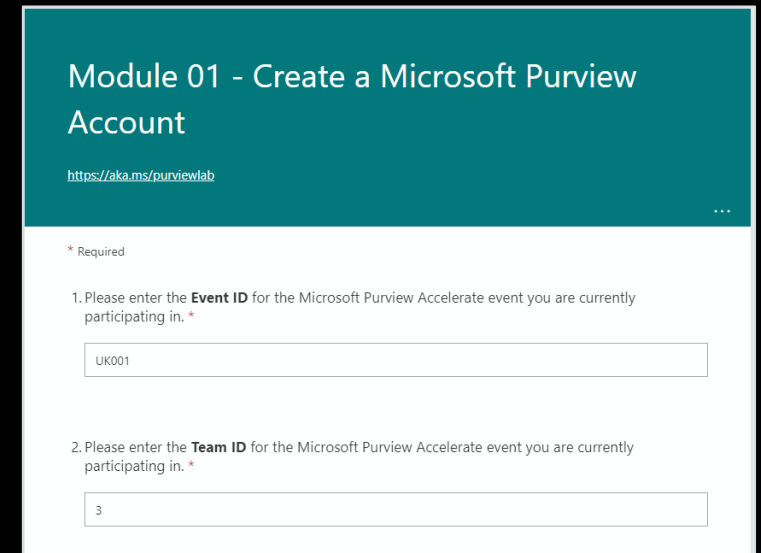

1. Navigate to <https://aka.ms/purviewlab>
2. Click **Lab Environment**
3. Click **Deploy to Azure**

Knowledge Checks

- Knowledge checks to be completed at the completion of each module.
- Each **individual** must submit a knowledge check before proceeding to the next module.
- Pay special attention to the *Did you know* snippets, these will help provide context for the Knowledge Check.

EVENT ID: UK001

TEAM ID: <YOUR_ROOM_NUMBER>

The screenshot shows a form titled "Module 01 - Create a Microsoft Purview Account" with a URL <https://aka.ms/purviewlab>. Below the title, there is a section for required information. The first question asks for the "Event ID" for the Microsoft Purview Accelerate event, with a text input field containing "UK001". The second question asks for the "Team ID" for the same event, with a text input field containing "3".

Module 01 - Create a Microsoft Purview Account

<https://aka.ms/purviewlab>
